#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

INTRODUCTION

How to Use This Manual

This manual is divided into multiple sections. The first page of each section is marked with a black box that gives you with the corresponding page index for this page and the book cover. You can quickly find the first page of each section without having to go through a lot of pages of contents. The numbers printed at the top corner of each page can also be used as a quick-reference system.

Each section includes:

1. A table of contents, or an exploded view index showing:
 - Parts disassembly sequence.
 - Bolt torque and thread sizes.
 - Page references to descriptions in text.
2. Disassembly/assembly procedures and tools.
3. Inspection.
4. Tightening/disconnecting.
5. Repair.
6. Adjustments.

Safety Messages

Your safety, and the safety of others, is very important. To help you make informed decisions, we have provided safety messages, and other safety information throughout this manual. Of course, it is not possible or practical to warn you about all the safety-related facts involving this vehicle. You must use your own good judgment.

You will find important safety information in a variety of forms:

- **Safety Labels** — on the vehicle.
- **Safety Messages** — presented to a safety alert symbol and one of three signal words: DANGER, WARNING, or CAUTION.

These signal words mean:

- **DANGER** — You WILL BE KILLED or SERIOUSLY HURT if you don't follow instructions.
- **WARNING** — You CAN BE KILLED or SERIOUSLY HURT if you don't follow instructions.
- **CAUTION** — You CAN BE HURT if you don't follow instructions.

Icons — how to service this vehicle correctly and safely.

All information contained in this manual is based on the latest product information available at the time of printing. We reserve the right to make changes at any time without notice. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form, by any means, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of the publisher. This includes text, images, and audio.

As you read this manual, you will find information that is provided by **INTECH** Vehicle. The purpose of this message is to help prevent damage to your vehicle, other property, or the environment.
