2010 Bmw 7 Series Owners Manual

The individual vehicle

When you receive your BMW, you have not yet been fully equipped. This Owner's Manual describes the basic safety features and equipment available with a specific BMW model. Please be sure to read this manual and consult the information on accessories and equipment that may be available for your vehicle.

Additional detailing options and accessories may be available for your vehicle. Be sure to consult this manual and your dealer with all equipment.

Equipment in your BMW is not included in this Owner's Manual. Refer to the accompanying Supplementary Owner's Manuals.

Editorial notice

BMW reserves a policy of continuous, ongoing development that is essential to ensure that our vehicles continue to embody the highest standards of safety, performance, and reliability. Our efforts are ongoing. For this reason, it is possible in exceptional cases that changes described in this Owner's Manual could differ from those on your vehicle.

For your own safety

Maintenance and repair

Avoidance of modifications is the most important rule for your safety. Do not modify or alter any components of your vehicle without the approval of your BMW dealer or a workshop that is approved by BMW Group. Any modifications could affect the safety of your vehicle and void the warranty.
