And Line Judge

- The R should move laterally to be able to see the action at the point of attack and watch for illegal blocks.
- The HL and LJ should wind the clock when the ball is legally touched in the field of play. Stay on the goal line until it is no longer threatened. When the play is down your side line, you are responsible for the runner and the blocks at the point of attack.
- When the play is to the opposite side line, take a position to observe the blocks on the backside of the runner.
