First Time in NYC

The Johnson family always traveled to the beach during the summers. This summer, they decided to travel to a big city called New York City. Mom told Dad that they would really need a map, but Dad said they would be able to find their way around without one. After walking around the busy streets for two hours, Dad finally declared that they were lost. Mom rolled her eyes and said, "I told you so!" She ran into one of the stores and came out with a city map. After looking at it for about two minutes, Mom decided she knew where to go.
