

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

| HOW TO USE THIS MANUAL | | CONTENTS | |
|---|--|--|----|
| This service manual describes the service procedures for the motorcycle. | | GENERAL INFORMATION | 1 |
| Follow the Maintenance Schedule (Section 4), recommendations, to ensure the motorcycle is in good working condition and the motorcycle meets or exceeds the standards set by the U.S. Environmental Protection Agency, California Air Resources Board and Transport Canada. | | TECHNICAL FEATURES | 2 |
| Performing the first scheduled maintenance is very important. It complies with the rules set by the above listed regulatory agencies. | | FRAME/BODY/PANEL/EXHAUST SYSTEM | 3 |
| Sections 1 and 4 apply to the whole motorcycle. Section 2 contains maintenance for accessories and components that may be optional. Section 3 through 20 describe parts of the motorcycle, grouped according to function. | | MAINTENANCE | 4 |
| Find the number you want on this page, then turn to the table of contents on the first page of the section. | | LUBRICATION SYSTEM | 5 |
| Read sections about an assembly or action. Illustrations, service procedures and cautions are given for the section. The component steps are numbered 1 through 4. | | FUEL SYSTEM (Programmer Fuel Injection) | 6 |
| If you are not familiar with this motorcycle, read Technical Features in Section 2. | | COOLING SYSTEM | 7 |
| If you don't know the source of the trouble, go to section 20 (Troubleshooting). | | ENGINE REMOVAL/INSTALLATION | 8 |
| Your safety and the safety of others is very important. To help you use this manual correctly, we have provided safety messages and other information throughout this manual. Of course, it is not possible to provide a safety message about all the hazards associated with working on a vehicle. | | CYLINDER HEAD/VALVES | 9 |
| You must use your own good judgment. You do not have the responsibility of a safety of others. | | CLUTCH/STARTER CLUTCH | 10 |
| A safety symbol on the warning | | ALTERNATOR | 11 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | TRANSMISSION/GEARSHIFT LINKAGE | 12 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | CRANK CASE/OIL/CRANKSHAFT/BALANCER/PISTON/CYLINDER | 13 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | FRONT WHEEL/SUSPENSION/STEERING | 14 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | REAR WHEEL/SUSPENSION | 15 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | HYDRAULIC BRAKE | 16 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | BATTERY/CHARGING SYSTEM | 17 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | IGNITION SYSTEM | 18 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | ELECTRIC STARTER | 19 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock. Symbols of a person with a fire indicate a danger of fire or explosion. Symbols of a person with a falling object indicate a danger of falling objects. Symbols of a person with a sharp object indicate a danger of sharp objects. | | LIGHTS/METERS/SWITCHES | 20 |
| A safety message is provided by a safety alert symbol. A symbol of a person with a lightning bolt indicates a danger of electric shock.
