

## #Jenny

Finally I get this ebook, thanks for all these I can get now!

## #Rio

Cool! I'am really happy

## #Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

## #Hun Tsu

wtf this great ebook for free?!

## #Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

## #Diego Butler

so many fake sites. this is the first one which worked! Many thanks

<p><b>INTRODUCTION</b></p> <p><b>How to Use This Manual</b></p> <p>This manual is divided into multiple sections. The first page of each section is marked with a book icon that links you with the corresponding information. See the icon on this page and the book icon. You can quickly find the first page of each section without scrolling through a full table of contents. The symbols printed at the top corner of each page can also be used as a quick reference system.</p> <p>Each section includes:</p> <ol style="list-style-type: none"> <li>1. A table of contents, or an exploded view index showing: <ul style="list-style-type: none"> <li>• Parts disassembly sequence.</li> <li>• Bolt torques and thread sizes.</li> <li>• Page references to descriptions in text.</li> </ul> </li> <li>2. Disassembly procedures and parts.</li> <li>3. Inspection.</li> <li>4. Testing/ troubleshooting.</li> <li>5. Repair.</li> <li>6. Adjustments.</li> </ol> <p><b>Safety Messages</b></p> <p>Your safety, and the safety of others, is very important. To help you make informed decisions, we have provided safety messages, and other safety information throughout this manual. Of course, it is not practical or possible to warn you about all the hazards associated with servicing this vehicle. You must use your own good judgment.</p> <p>You will find important safety information in a variety of forms including:</p> <ul style="list-style-type: none"> <li>• <b>Safety Labels</b> — on the vehicle.</li> <li>• <b>Safety Messages</b> — presented by a safety alert symbol  and one of three signal words, DANGER, WARNING, or CAUTION. These signal words mean: <ul style="list-style-type: none"> <li><b>DANGER</b> — You WILL be KILLED or SERIOUSLY HURT if you don't follow instructions.</li> <li><b>WARNING</b> — You CAN be KILLED or SERIOUSLY HURT if you don't follow instructions.</li> <li><b>CAUTION</b> — You CAN be HURT if you don't follow instructions.</li> </ul> </li> <li>• <b>Instructions</b> — how to service this vehicle correctly and safely.</li> </ul> <p>All information contained in this manual is based on the latest product information available at the time of printing. We reserve the right to make changes at any time without notice. No part of this publication may be reproduced, or stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of the publisher. This includes text, signs, and icons.</p> <p>As you read this manual, you will find information that is provided by a <b>SERVICE</b> symbol. The purpose of this message is to help prevent damage to your vehicle, other property, or the environment.</p> <p>First Edition 06/2007 2.536 pages      HONDA MOTOR CO., LTD.
