so many fake sites. this is the first one which worked! Many thanks

INTRODUCTION

How to Use This Manual

This manual is divided into 14 sections. The first page of each section is marked with a black tab that lines up with the corresponding black index tab on the inside of the back cover. You can easily find the first page of any section without having to turn a full book or consult the index at the top of each page. Each page can also be found by using the reference system.

Each section includes:

1. A table of contents.
2. Full illustrations.
3. Full torque and fastener specifications.
4. Page references to other sections.
5. Disassembly/assembly procedures.
6. Inspection.
7. Lubrication.
8. Tearing/bushings.
9. Sizing.
10. Adjustments.

Special Information

WARNING Indicates a strong possibility of severe injury or death if instructions are not followed.

CAUTION Indicates a possibility of personal injury or property damage if instructions are not followed.

NOTE Gives helpful information.

CAUTION Detailed descriptions of standard workshop procedures, safety principles and service operations are not included. Please note that this manual contains warnings and cautions against some specific service methods which could cause **PERSONAL INJURY**, damage a vehicle or make it unsafe. Please understand that these warnings cannot cover all conceivable cases in which service, whether or not recommended by HONDA, might be done, or if the possible hazardous consequences of every conceivable case may not equal HONDA's investigation of such risks. Always using service procedures or tools, whether or not recommended by HONDA, must be used thoroughly and neither personal safety nor vehicle safety will be jeopardized.
