

Download File PDF Manual Split Air Condition

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

INSTALLATION & OPERATIONS MANUAL SPLIT TYPE ROOM AIR CONDITIONER AND HEAT PUMP MODELS R32/CHEER 9,000 & 12,000 BTU/H • 115 VOLT

Important Safety Instructions

The following symbols and labels are used throughout this manual to indicate immediate or potential safety hazards. It is the owner's and installer's responsibility to read and comply with all safety information and instructions accompanying these symbols. Failure to heed safety information increases the risk of personal injury, property damage, and/or product damage.

WARNING
HIGH VOLTAGE!
Disconnect all power before servicing. Multiple power sources may be present. Failure to do so may cause property damage, personal injury or death.

WARNING
Only individuals meeting the requirements of an "Air Conditioning, Heating and Refrigeration Institute (AHRI)" may use this information. Attempting to install or repair this unit without such background may result in product damage, personal injury, or death.

WARNING
Goodman will not be responsible for any injury or property damage arising from improper service or service procedures. If you perform service on your own product, you assume responsibility for any personal injury or property damage which may result.

WARNING
To prevent the risk of property damage, personal injury or death, do not touch combustible materials or use gasoline or other flammable liquids or vapors in the vicinity of this appliance.

WARNING
To prevent heat related illness or death, do not use this device for unattended cooling of persons or animals unable to leave the product room. Failure to evacuate air conditioner may result in extreme heat in areas intended for cooling, leading to heat-related illness or death of persons or animals.

Shipping Inspection
Always keep the unit upright, laying the unit on its side or top may cause equipment damage. Shipping damage, and subsequent investigation is the responsibility of the carrier. Verify the model number, specifications, electrical characteristics, and accessories are correct prior to installation. The distributor or manufacturer will not accept claims from dealers for transportation damage or installation of incorrectly shipped units.
