## Seven Keys to Creating a Professional Manual

Like the Chapter Title Style above and the Chapter Number, you're reading, great style in Microsoft Word are just a few clicks away.

To save time in the future, paste a copy of this document. Click Point on the File menu, and press ENTER to receive all eight pages of examples and instructions. With the pasted document in hand, position yourself in normal view to see the style names next to each paragraph. Scroll through the document, and copy the style names next to the paragraphs. Press CTRL+HOME to reposition yourself at the beginning of the document.

To create a drop cap for the lead paragraph, like the example above, select the letter "I", and then type a word like:

FROM KEY
