

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Functional Testing (Manual/Automation)

Regardless of the product under test, test timelines, development methodology, availability of resources, core functional elements need to be tested thoroughly to ensure a product of acceptable quality. Test automation is an important step in this whole process to help save test execution time and ensure bugs are not missed in repetitive testing. Our focus areas in functional testing are depicted in the diagram below.
