so many fake sites. this is the first one which worked! Many thanks

INTRODUCTION

How to Use This Manual

This manual is divided into multiple sections. The first page of each section is marked with a black tab that links up with the corresponding fourth index tab on this page and the back cover. You can quickly find the first page of each section without looking through a full table of contents. The words printed at the top corner of each page can also be used as a quick-reference system.

Each section includes:

1. A table of contents, or an expanded view index showing:
 - Part, disassembly sequence,
 - Bolt torques and thread sizes,
 - Page references to descriptions in text,
 - Disassembly/assembly procedures and tools,
 - Inspection,
 - Test/Diagnostic/adjusting,
 - Repair,
 - Adjustments.

Safety Messages

Your safety, and the safety of others, is very important. To help you make informed decisions, we have provided safety messages, and other safety information throughout this manual. Observe it, and practice it, or possible to keep you, your loved ones, and the vehicle safe. Read and understand the meaning of the symbols. You must use your own good judgment.

You will find important safety information in a variety of forms including:

- **Safety Labels** – on the vehicle.
- **Safety Messages** – provided by a safety alert symbol and one of three signal words: DANGER, WARNING, or CAUTION. These signal words mean:
 - **DANGER** – You WILL be KILLED or SERIOUSLY HURT if you don't follow instructions.
 - **WARNING** – You CAN be KILLED or SERIOUSLY HURT if you don't follow instructions.
 - **CAUTION** – You CAN be HURT if you don't follow instructions.
- **Instructions** – how to service this vehicle correctly and safely.

All information contained in this manual is based on the latest product information available at the time of printing. We reserve the right to make changes at any time without notice. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of the publisher. This includes text, images, and tables.

As you read this manual, you will find information that is marked by **SAFETY** symbols. The purpose of this message is to help prevent damage to your vehicle, other property, or the environment.
