

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Regal 2760/2860 Commodore

1998-2006

The Regal 2760 Commodore (called the 2860 Commodore in 2002-05) is a well-built express with innovative cockpit seating and a space-efficient interior. She's unlike other boats of her type and size in that she rides on a stepped hull, a race-bred design said to improve performance by ventilating the bottom. Like most modern express cruisers, the Commodore incorporates a midcabin floorplan with berths for six. The fore and aft sleeping areas, each with a double berth, are separated from the main cabin by a privacy curtain. (Note that the stowroom in the aft cabin is at a premium.) In a departure from the norm, the refrigerator is under the forward berth, which frees up some storage space beneath the galley counter. Topside, the cockpit is arranged with a doublewide seat at the helm, an L-shaped settee opposite, and a bench seat at the transom. A walk-through windshield provides access to the big foredeck sun pad. Additional features include a molded bow pulpit, radar arch, cockpit wet bar, till wheel, and a transom door. Among several engine options, twin 220hp MerCruisers V/6s cruise at 22-23 knots and reach a top speed in the mid-to-high 30s.
