#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

GAS FURNACES

CRITERION® II
80.0-82.2% A.F.U.E.*
DOWNFLOW
GAS FURNACES

The Rheem® Criterion® II line of downflow gas furnaces is designed for installation in closets, attics, crawls, utility rooms, or basements. This design is certified by CSA.

Features

- ▶ Painted heat exchanger, constructed of both stainless steel and aluminum steel for the maximum in corrosion resistance.
- ▶ Low profile 24 inch (2400 mm) design is lighter and easier to handle, and leaves room for optional equipment.
- ▶ Left or right side gas and electric inlet connections with quick-on-gas design.
- ▶ Direct Spark Ignition models and integrated board with turntable and electronic air cleaner hookup.
- ▶ Insulated blower compartment helps to reduce jacket loss and noise.
- ▶ Pre-paint galvanized steel cabinet.
- ▶ Washable permanent filter.
- ▶ Grab-holes in doors to aid in easy door removal and installation.

A variety of cooling coils and plenums designed to use with Rheem Criterion® II gas furnaces are available as optional accessories.

*ASME and other Rheem® Rheem® products are available with Department of Energy Star certification.

RGLH-SERIES
Models with Input Rates from
50,000 to 150,000 BTU/Hr
[15 to 44 kW]
