

# Download File PDF Ricoh Ac205 User Manual

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

## ERROR MESSAGES

### 4.9 ERROR MESSAGES

Error	Description	Solution
By-pass tray jam (door open)	Paper is either jammed in the by-pass tray, or paper is not fed correctly.	Clear the paper jam and load paper correctly.
Cancel? 1. Yes. 2. No	The memory becomes full when you try to store a document.	Press the "1" button and select "yes" to cancel the fax job. Press the "2" button and select "no" to send the pages that are stored in memory. The unit will only send the pages that are stored. You can send the remaining pages at a later time when the memory frees up.
COMM error	A communication error occurred.	Ask the sender to try again.
Low/Open heat error	A problem in the fusing unit occurred.	Check the thermostat, thermistor contact point and heating lamp.
Overheat	The machine has overheated.	The machine automatically goes to standby mode. The machine starts again when it cools down to the normal operating temperature. Check the operation of the thermostat and thermistor if the problem stays.
Delayed function full	The delayed fax job list/memory space is full.	Cancel unnecessary fax jobs.
Document jam	A jam occurred in the ADF.	Clear the document jam.
Door open	The front or rear cover is not securely latched.	Close the cover until it locks into place.
Enter again	Invalid data is entered.	Enter the correct data.
Function impossible	You have tried to use a combination of printer functions that cannot be used at the same time.	Reduce the number of selected functions, or use only one function at a time.
Group not available	You have tried to select a group location number when only a single location number can be used. This can occur when you try to add locations for a broadcasting operation.	Use a speed dial number, or dial the number manually with the number keypad.
LSU error	A problem occurred in the LSU.	Use tech mode to test the LSU. Replace if necessary.
Invalid/No cartridge	An unauthorized cartridge has been used.	Use an approved cartridge.
Line error	The machine cannot connect with the remote machine, or has lost contact because of a problem with the phone line.	Try again. If the problem returns, wait an hour for the line to clear and then try again, or turn the ECU on.
