#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Pro-Bel Freeway (SW-P-08 protocol)

Cable Connections

Figure 1-1 DB-60 to DB-9 Cable

Switcher Setup

To Set Up Communications

1. In the **HOME** → **Setup** → **Installation** → **Cable Setup** → **Type**
 - Use the **Cable Port** List to select the **RS-485/RS-422** port that you want to use for the connection.
 - Use the **Device** List to select the **Router**.
2. Use the **Serial Device**
 - Use the **Device** List to select the **Pro-Bel**.
3. Use the **Cable Type**
 - Use the **Type** List to select the **RS-422**.

Router Setup

1. In the **HOME** → **Setup** → **Installation** → **BMC** → **BMC Type**
 - Use the **BMC** List to select the type **BMC** that the **Router** supports. The **Router** type is shown in the **Router** type list.
 - Use the **Manufacturer** List to select the **Manufacturer** of the **Router** that you are using.
2. In the **Router** → **Router Setup**
 - Use the **Router** List to select the **Router** that the **Freeway** is connected to.
 - Use the **BMC** List to select the **output BMC** that the **Freeway** should use for the connection.
3. Use the **Router Options**
 - Use the **Level** List to select the **Level** of the **Router** that you are using. The **Level** List is shown in the **Router** type list.
 - Use the **Serial** **Manufacturer** List to select the **Manufacturer** of the **Router** that you are using. The **Serial** **Manufacturer** List is shown in the **Router** type list.
4. In the **HOME** → **Options**

Compatibility

| Router | Version |
|----------------|---------|
| Probel Freeway | — |
| Switcher | — |
| Spring 1 SD | 16.0 |
| Spring 16 SD | 16.0 |
| Spring 160K | 8.2 |
| Spring 160KX | 13.0 |
