

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Example #2: **Career Plan**
<http://www.as.org/finding-a-career/exploring-your-options/Build-a-Career-Plan.cfm>

Career goal:

To become a civil engineer. To design, plan, and supervise the construction of buildings, highways, and rapid transit systems.

Long-range, general abilities and requirements:

- At least a bachelor's degree in engineering
- Ability to work as part of a team
- Creativity
- Analytical thinking skills
- Capacity for detail work
- Presentation skills
- Writing skills
- Knowledge of physical sciences and mathematics
- Accreditation by licensing board

Current skills, interests, and experiences:

- Summer employment with a construction company
- High school mathematics courses (geometry, trig, advanced math, calculus)
- High school science courses (physics, chemistry)
- Experience working with a team (summer employment, school organizations, course projects)
- High school writing courses (four years of English, technical writing)
- Top 10% of class
- Natural creative ability and organizational skills

Short-term, specific goals to make your dreams a reality:

- Graduate in top 10% of high school class
- Achieve good test scores
- Be accepted to a university with a good engineering program
- Keep grades up to meet requirements for School of Engineering
- Continue work experience with internship or part-time/summer employment
- Participate in campus organizations for engineering students
- Earn a bachelor's degree
- Consider graduate school
- Improve presentation and writing skills by focusing on courses designed to enhance them
- Research license requirements
