#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Quick Reference Card

The SketchUp Quick Reference Card, available in the SketchUp Help Menu and on the sketchup.google.com website, contains a list of all toolbar tools and their modifier keys. Examine the SketchUp Quick Reference Card to become familiar with using SketchUp's tools. Click on the Help>Quick Reference Card menu item to display the Quick Reference Card.

The Status Bar

The Status Bar, located at the bottom of the SketchUp Drawing Area, displays tips for the active tool, including special functions accessible using keyboard shortcuts. Watch the status bar while you are working in SketchUp to discover advanced capabilities of each of the SketchUp tools.

User Forum

The SketchUp forums are a great way to contact others in the SketchUp user community. These forums provide a unique environment for you to obtain help, suggest new features, offer advice, and share your models. Visit the SketchUp user forums by clicking on the SketchUp Community menu item in the Help Menu (Help > SketchUp Community). You must be connected to the Internet to access the user forums.

SketchUp Training

Google provides training courses for users who want extra assistance with SketchUp from the experts at Google. Visit <http://www.sketchup.com/training> to see a list of training courses available in your area.
