**Finding your way around Skype (Windows)**  
**Get Skype Credit**

With Skype Credit you can call mobiles and landlines as well as send SMS text messages worldwide at low rates.

Have you downloaded Skype and created an account? Then you're ready to get calling. This guide will help you find your way around Skype, so when you're ready you can add your friends as contacts, then call, video call and instant message with them.  
To open Skype, double-click the Skype icon on your desktop or choose it from the Windows Start menu, then sign in with your Skype Name and password.

A. Menu bar. Includes all the options that will help you get the most out of Skype.  
B. Status bar. You can change your Skype status and access Skype Home from here.  
C. Call phones bar. Displays the dial pad so you can call phones and mobiles.
