

Download File PDF Smart Roadster Manual

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

smart

Removing the roof

smart roadster/roadster coupé (model 452)
The smart roadster and roadster coupé are equipped with a soft top or a coupé roof as standard equipment.

Soft top:
The locking and release mechanisms for the soft top are attached to the windshield frame and are operated automatically when the switch is pressed.
The control switch is located in the center console in front of the gearshift lever.
The soft top can only be opened completely if the voltage supply is present and the ignition is switched on.

When the folding top is open, the two side supports can be removed.

- Press the integrated safety switch (1)
- Fold the release lever (2) down
- Remove the side support

Coupé roof
The coupé roof installed on the smart roadster and smart roadster coupé consists of two roof panels with side supports, joined at the center of the vehicle.

- Press the integrated safety switch (1)
- Fold the release lever (2) down
- Unlock the side supports (see above)
- Pull the two side sections of the roof upward to remove
