Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Software Myths cont..

- Myth : Software with more features is better software
- Myth : If we get behind schedule, we can add more programmers and catch up Propagated misinformation and confusion
- Myth :According to customer A general statement of objective is sufficient to begin writing programs- we can fill in the details later
- Myth : Once we write the program and get it work, our job is done
- Myth : Until I get the program running I have no way of assessing its quality

- Myth : The only deliverable work product for a successful project is the working program
- Myth : Software engineering will make us create voluminous and unnecessary documentation and will invariably slow us down
