so many fake sites. this is the first one which worked! Many thanks

Treatment Plan

"Intimacy"

Narrative: A relationship that has profound intimacy physically, emotionally, spiritually and psychologically.

Goals and Objectives:

- 1) **Increasing those moments of physical touching during non-sexual activities.** Increase physical forms of intimacy (hugging, kissing, holding hands, cuddling) throughout the day.
- 2) **Sharing raw emotions during spiritual moments.** Continue to share your desires and fears when you sense a spiritual connection.
- 3) **Psychologically stimulating each other during physical moments.** Continue to explore each other's intimate dreams respectively.
- 4) **Sharing intimate dreams.** Continue telling one another what excites you when you are physically intimate.

Interventions:

- 1) Utilize the miracle question to elicit information for shared marital vision.
- 2) Utilize scaling questions to create a standard for the couple's individual needs.
- 3) Utilize exception questions to uncover exceptions towards the solution.

Diagnosis: V68.10, Relationship distress with spouse or intimate partner, V68.49, Sex
